

HOCKEY LEARN TO SKATE

1 & 2

Spring/Summer 2017

Skaters Required to wear hockey skates, hockey gloves, elbow guards and hockey helmet with protective face mask!

- Classes run by Head Hockey Learn to Skate Coordinator Steve Segiet

Learn to Skate Hockey 1 – for beginner skaters looking to eventually play organized hockey. The skaters will learn the basic introductory maneuvers needed to compete in the game of hockey. In order to be considered for Hockey 2, skaters must be able to show the capacity to execute the following skating maneuvers on the ice; Fall down and get up, march in place, rock side to side, jump, walk and run on the ice, forward glide, forward swizzles, snow plow stop, two feet turn and forward strides.

Learn to Skate Hockey 2 – for skaters who pass Hockey 1 and want to continue to improve their skating skills so that they will be eligible to participate in our Hockey Development Clinics on Mondays or Saturdays. Hockey 2 classes will involve skating skills such as; stops & starts, crossovers, backwards strides, agility turning and pivoting with more emphasis on edge work and over all hockey strides. All skaters evaluated by Coach Steve at the end of each session.

ON ICE GAMES!!
