

LiveBarn

Now is the time to email your Associations & Home Teams and let them know that LiveBarn is installed at your venue, and ensure that they have included your Promo Code in their profile. In order to simplify this for you, we've written an easy-to-edit email that you can copy, paste, personalize and send to your associations and teams.

Feel free to edit the text so it works for your venue and associations. Don't forget to add in your own Venue or Association name and social media handle... and (of course) **update your promo code!**
