

# MY TOT & ME

Have fun ice-skating with your child. We make it easy with creative play and interactive learning games that teach little ones basic ice skating skills.

Each 7-week session meets once a week, with 1/2 hour class time. When you sign up you will receive a FREE pass to practice on unlimited public skate sessions!

For safety's sake, all tots (age 7 & under), are required to wear helmets (hockey helmets with full face shield are required if wearing hockey skates), and dress is warm comfortable clothes!

Oh yes...and don't forget those gloves!
