Summer 2020

Future Champions Camp

For new competitive skaters looking to improve their skills, the Future Champions Camp will provide participants with different aspects of figure skating including jumps and spins, power skating, hoops and ribbons, choreography, footwork, solo spotlight, and Moves in the Field. Our week long intensive camp will specialize in the areas needed to produce a successful skater including speed, agility, grace, and flow. Each on ice clinic will focus on a specific aspect of skating allowing for a deeper understanding of the required skills needed to improve a skaters knowledge and technique. On and off ice sessions will be tailored to each skaters level and goals. On Friday afternoons, Future Champions Camp Participants will perform a solo during our Friday exhibition so they can demonstrate what they have learned during camp that week. Please note this camp is only for freestyle level skaters or higher.

Camp Philosophy

The Danbury Arena Future Champions Camp and Specialty Camps have been designed to work with skaters who have a strong foundation in figure skating.

Our goal is to continue developing the skills of current competitors while introducing beginning competitors to the fun, excitement and variations competitions have to offer.

Solo Spotlight: Character

Individual skaters portray a famous, easily identifiable character through the use of music, costume, props (optional) and the skater's actions. Opportunity exists here for the skater to be creative and original in an exciting performance.

Offered Weeks 1, 4, 6 and 7

Moves in the Field:

Will focus on US Figure Skating compulsory elements incorporating turns, power, and edge control. Emphasis will be placed on the Pre-Juvenile through Intermediate levels and aim to prepare skaters for upcoming tests.

Offered Weeks 2, 5 and 9

Hoops and Ribbons:

Ever wonder how rhythmic gymnasts perform with hoops and ribbons? Now is your chance to try ISI rhythmic skating events, as well as improve your artistry and skating skills by incorporating various props into your routine- not just for ISI Skaters!

Offered Weeks 1, 3, 6 and 8

Jumps and Spins:

Campers will learn about proper in-air and landing jump techniques, as well as receive instruction on different spin variations.

Offered Weeks 2, 5, 8 and 9

Choreography:

This camp will push a skater's creativity to the limit, fostering musicality and the usage of uncaptured moves throughout a program.

Offered Weeks 3, 4, 6 and 7
